During the First Annual Ed-Lynn Classic over \$12,000 was given to these local charities.

During this difficult year, there is even more need for us, citizens of these two communities to join in this effort to come alongside our neighbors.

The organizing committee believes it is our role as Christians to work together in this way to help our fellow citizens.

If you would like to learn more about this, contact anyone of the organizing committee members.

Boys and Girls Clubs

The Boys and Girls Clubs of Edmonds and Lynnwood touch over 4,000 young people every year. 25% of these are from single parent households. A multiplicity of programs are designed to enable all young people, especially those with the greatest needs, to reach their full potential as productive, caring and responsible citizens.

Food Banks

The Lynnwood Food Bank collects and distributes more than 870,000 lbs of donated food each year to low-income children, adults and seniors. The food bank currently serves an average of 1,062 households each month. The two Edmonds Food Banks operate from Edmonds United Methodist Church and Westgate Chapel. They distribute to more than 500 families per year.

Who is running this tournament?

Several Men's groups from different churches in the Edmonds and Lynnwood community want to bless these community-based organizations. So we are asking other men and women in the community to join us for this good cause, playing a game that many enjoy during the Pacific Northwest's beautiful summer season.

Through sponsors and donated goods and services, the tournament fee is being kept to a minimum.
